

REACT –

Ticket to your event

REGISTRATION & ACCOMMODATION TOOL

REACT is a web-based registration platform encompassing the entire delegate management process. Delegates register through an online registration form with the respective registration fees according to several types of participants and the different deadlines.

Combinable with FAMS / ESOS

REACT

Individualised Service:

- Customisable layouts for registration platforms and mailings
- Multi-lingual
- Multiple tax and payment options

“Capable of
managing
more than
28,000 participants
for a single
conference”

K.I.T. Group
Association & Conference Management
